

Canada's Resource Champion

Steve Moran

President and CEO of Corridor Resources

Steve Moran is President and CEO of Corridor Resources. Corridor Resources is an Eastern Canadian junior resource company engaged in the exploration for and development and production of petroleum and natural gas onshore in New Brunswick and Québec and offshore in the Gulf of St. Lawrence.

Highlights from Steve's nomination

New Brunswick has recently placed a moratorium on hydraulic fracturing and is seeking, among other things, "social license" from citizens. Steve Moran recently advised the Atlantic Chamber of Commerce that he will be investing over half a million dollars to promote hydraulic fracturing and educate the public on the benefits and opportunities of the safe use of this technology in New Brunswick.

He has also proposed a joint venture with other financial and in-kind partners to support these objectives. The education campaign will commence in the fall of 2015.

Nominated by Valerie Roy, Chief Executive Officer, Atlantic Chamber of Commerce, Inc.
