Dave McHattie

Vice-President, Institutional Relations
Tenaris

Biography

David McHattie is the Vice-President Institutional Relations for Tenaris in Canada, responsible to improve the company's strategic and economic performance through the development of institutional, commercial, supplier and community relationships. This includes trade remedy actions, public policy development, connection with the senior leadership of our clients, new alliances with suppliers, and leadership of business/community associations.

Dave holds leadership positions in several of Canada's most important business associations including Board positions with the Canadian Manufacturers and Exporters Association (including Chair of the Alberta Board of Directors and the national policy committee) and the Petroleum Services Association of Canada. Dave is the Chair of the Trade Committee of the Canadian Steel Producers Association since 2011. In 2009 & 2010, Dave participated on the Steering Committee for two Canadian Chamber of Commerce Energy Policy Papers. Dave has been asked to contribute his views on the importance of Canadian manufacturing to Canada's economy and the importance of local manufacturing for energy development including at the 2013 & 2014 National Supply Chain Forums, the 2014 Annual Convention of Economic Developers Association of Canada, the Sault Ste. Marie Chamber of Commerce, and the North American Steel Trade Committee.

Speaking Topics

Dave is available to speak to a wide variety of topics including:

- How the Canadian economy can benefit from the development of Canadian energy.
- The various opportunities for manufacturers as well as the benefits of a Canadian supply chain.
- Profiling the Canadian energy market and the products manufactured to develop Canada's energy.
- Current and upcoming challenges facing the industry.

Additional related speaking topics can be discussed when requesting this speaker.

Current Availability

Dave is available Canada-wide when given sufficient advanced notice.
