

Canada's Resource Cities Speakers Bureau

Kevin Underhill

Vice-President, Health, Safety, Environment & Support Services
Enbridge Inc.

Biography

Kevin is Enbridge's first Vice President dedicated to their health, safety and environment functions, which reflects their continued focus in these areas. In this role, Kevin is responsible for health, safety, and environmental management; land services for Liquids Pipelines (LP) and Major Projects (MP) in Canada and the United States; and emergency and security management for LP in Canada and the United States.

He joined Enbridge in 1984 in Ontario and has since taken on roles of increasing responsibility within Liquids Pipelines operations. Prior to his current role, Kevin was Director, Environment, Lands & Right-of-Way, where he was responsible for the LP/MP Operations Environment and Right-of-Way departments for Canada and the United States.

Kevin holds a Bachelor of Environmental Studies from the University of Waterloo, as well as a senior designation with the International Right-of-Way Association. He is active in the community having served previously on community committees including the United Way. He is currently the executive sponsor for Enbridge's Pipeliners' Club, the Women@Enbridge Committee, Corporate Challenge and The Ride to Conquer Cancer.

Speaking Topics

Kevin is available to speak to topics important to Enbridge and its values of integrity, respect and safety including:

- Enbridge's commitment to safety including pipeline operations, construction and generating a culture of safety that follows employees home.
- The importance Enbridge places on environmental stewardship, conservation and awareness.
- Working with landowners who have pipelines on their property, including their Public Awareness Program.

Additional related speaking topics can be discussed when requesting this speaker.

Current Availability

Kevin is available Canada-wide.
