Commerce
du Canada

We are excited to announce that our Ottawa office is moving to a new location in June 2018. Our new office will allow us to better serve our members and Carnet and certification clients as well as host meetings and roundtable events.

We are offering our members the opportunity to contribute to our move in exchange for high visibility recognition within our office for the duration of our 10-year lease. Position your company as a proactive business and community leader as you gain valuable exposure through your contribution to our move. Research shows that consumers and corporations are more likely to think favourably of businesses that are involved in their national chamber and are more likely to think your products, goods or services are superior to the competition.

Your sponsorship contribution will provide your business the opportunity to gain and maintain top-of-mind awareness for your products and services.
