Thought Leadership Roundtable Series

The Thought Leadership Roundtable Series and the Crystal Ball Symposium are part of a national program that examines how Canadian businesses can contribute to sustainable growth and development.

The Thought Leadership Roundtable Series will bring together business, government and academic leaders to share strategies and expertise and discuss how to foster and increase the competitiveness of Canada. This series will ensure the Canadian Chamber's messaging on behalf of your industry is heard by Canadians and the government.

As one of the series' sponsors, you will be recognized at all roundtables and at the Crystal Ball Symposium as a Gold Level sponsor. You will work with the Canadian Chamber on developing the content for the roundtable in your city and the guest list. You will also have the opportunity to host the event and provide welcoming remarks.

Sponsorship: \$15,000
