Dear Mr. *Perrin* Beatty,

Thank you for participating in Canada's Digital Economy: Moving Forward. Your contribution was integral to the success of the event.

As I stated in my remarks- my commitment to you, and indeed to all of Canada, is to continue building on the momentum created on June 22, and at other recent events to develop a strong plan for a national strategy for the Digital Economy.

Thank you and I am looking forward to working with you again in the near future.

*Perrin - always a
joy to work
with you!*
